You must file a Claim Form by September 24, 2022, to receive cash benefits from this Settlement. To file a Claim Form, click [HERE](#).

A **\$100 million settlement** has been reached in a class action lawsuit against Google LLC (“Google”), which claims that Google violated Illinois law by collecting and storing biometric data of individuals in Illinois without proper notice and consent as part of a feature in Google Photos called Face Grouping. Google denies that it collected or stored biometric data without proper notice and consent, or that it violated Illinois law or any other law. The Court has not decided who is right. For more information or to submit a claim for payment please visit the Settlement Website www.GoogleBIPASettlement.com.

Who is Included? You are a Class Member in this Settlement if at any time between May 1, 2015 and April 25, 2022, you appeared in a photograph in Google Photos while you were an Illinois resident.

What are the Settlement Terms? The Settlement provides money to Class Members who submit a Claim Form postmarked or submitted on www.GoogleBIPASettlement.com by **September 24, 2022**. Without admitting liability, the Settlement also requires Google to make certain changes to its policies and practices that will benefit Class Members. Google will establish a \$100 million Settlement Fund. After deducting Court-approved attorneys’ fees and expenses, service payments for the Plaintiffs, and the costs of settlement notice and administration from the Settlement Fund, the remaining funds will be made available, if the settlement is approved, to pay Class Members’ valid claims. Class Members who file valid claims will be eligible to receive an equal *pro rata* portion of the \$100 million Settlement Fund after the deductions listed above. Class Counsel estimate, based on their experience in prior similar matters, that the amount of each valid claim will be between approximately \$200.00 and \$400.00; however, the actual cash amount an individual will receive could be less than or greater than that estimated amount, and will depend on the final amount of Court-approved deductions from the Settlement Fund and the total number of valid claims submitted by Class Members before the Claims Deadline of **September 24, 2022**.

How Can I Get a Payment? The only way to get a payment is to submit a Claim Form. If you submit a Claim Form, you will give up the right to sue Google or any Released Parties in a separate lawsuit about the claims made in this case and released by the Settlement. You must submit a Claim Form by **September 24, 2022**. You must submit your claim online at www.GoogleBIPASettlement.com or file a paper Claim Form postmarked by **September 24, 2022**. Paper Claim Forms are available at the Settlement Website or by calling 1-833-927-3418.

Your Other Options. If you do nothing, your rights will be affected, and you won't get a payment. If you file a Claim Form, object to the Settlement, or do nothing, you are choosing to stay in the Settlement Class. You will be legally bound by all orders of the Court and you will not be able to start, continue or be part of any other lawsuit against Google about the allegations of the case or other Released Claims. If you do not want to be legally bound by the Settlement or receive any benefits from it, you must exclude yourself by **August 10, 2022**. If you do not exclude yourself, you may object to the Settlement by **August 10, 2022**. The Long Form Notice available on the Settlement Website explains how to exclude yourself or object.

The Final Approval Hearing: The Court will hold a Final Approval Hearing on **September 28, 2022**, to consider whether to approve the Settlement and award Service Payments of up to \$5,000 to the Class Representatives, attorneys' fees of up to 40% of the Settlement Fund, and, reimbursement of expenses, as well as consider any objections. Motions for these fees and expenses will be posted on the Settlement Website when they are filed with the Court. You may appear at the hearing, either yourself or through an attorney hired by you, but you do not have to. The hearing may be held remotely at the Court's discretion.
